

BENEFITS OF THE DIGITAL SUBSCRIPTIONS

EXCLUSIVE JOB PROSPECTING — Today’s job market is tough. And since up to 85% of jobs are never publicly advertised, job seekers need every advantage. Each business journal contains local leads that can provide job seekers with the opportunities they need to start or change careers.

Use the 40 Book of Lists and Best Places to Work guides to conduct complete company research and gain valuable insight prior to the interview.

QUICK RESEARCH AND CAREER PLANNING — Easily conduct comprehensive research on companies, industries and business executives across all of the markets we cover. You have access to more than 10 years of archived business journal stories from around the country.

COMPREHENSIVE CURRICULUM SUPPLEMENT — Supplement higher education readings and lectures with business journal articles. Connect current local business events and trends with basic course principles. Business journals provide up-to-date information that you can apply.

USER-FRIENDLY — Digital Editions are very easy to use. Flip through pages just like you would with a print edition, or jump to a page of your choosing. All with just a click of the mouse. Download and/or print only what you need and save for later.

ECO-FRIENDLY — No paper. No waste. Definitely green. Digital Editions, special publications and Books of Lists are perfect for people who want to help preserve the environment.
