To gauge the success of our programs, UCF administers the First Destination Survey to all graduating students. For the Summer 2019 through Fall 2019 Undergraduate classes, 88 percent of 7,640** graduates completed the survey, and here’s what they said.

**Due to COVID-19 pandemic, the academic year for 2019-2020 does not include spring 2020 graduates.

**This number reflects the Summer 2019 & Fall 2019 Term graduates. 14,400 Bachelor’s degrees were awarded in the 2019-2020 Academic Year.
