How do I find a Job as an International Student?

Employment options for students with an F-1 Visa

On-Campus Employment

- International students can work on-campus up to 20 hours per week during the fall and spring semester, and greater than 20 hours during the summer and winter break.

Curricular Practical Training (CPT)

- International students who meet eligibility requirements can apply for CPT authorization to do an off-campus internship that is directly related to their major.

Optional Practical Training (OPT)

- OPT is a year of employment authorization after graduation for international student to gain experience directly related to their major

STEM Extension of OPT

- Students with a STEM major, currently on OPT who meet certain additional requirements can apply for an extra 2 years of work authorization.
